Give the Gift of Faith

Churches are dependent upon the generosity of others to fulfill their mission of spreading the Good News as mandated by Christ on the day of his Ascension. To perpetuate our church's mission in our area, please consider putting St. John the Evangelist Church in your will.

In Memory of Pope Francis

Catholic Parishes throughout the world are celebrating Masses for Pope Francis. We are inviting you on **Wednesday, May 7th** at **7 p.m.** for a Memorial Mass of Pope Francis in the main

Church. Please consider attending as we pray for the eternal happiness of our Holy Father.

Nursing Services Funding

Young Catholics are a valued treasure and the future leaders of our Church. It is the responsibility of the entire Church to help make our Catholic elementary and secondary schools available, accessible, and affordable to all Catholics of ever socioeconomic status.

When it comes to state funding for Catholic schools, an especially important area for these schools is school health services in the form of a state-funded nurse when students are in the building.

NJCC recently issued an **Action Alert** asking you to put your faith into action by contacting your representatives in the New Jersey Legislature to express your support for increased funding in this especially important area.

The process for doing so is simple and can be accomplished with a few clicks. Start by visiting here: <https://njcatholic.org> and clicking on the "Faith in Action" box under the heading "NJCC Faith in Action" or by scanning the bar code below. You will then be guided through the process, which takes less than a few minutes. Feel free to use the message NJCC has crafted (which is pre-populated on the electronic form used to contact your legislators) or customize a message to express any thoughts you wish to share.

With your help, our voices become even stronger and together we can help increase critical funding for our schools so families who wish can continue giving their children the kind of value-based education that only a Catholic school can provide.
