

Dear Parishioners,

The Parish office is Now Closed.

The diocese has sent a directive that all parish and school offices are to be closed to the public. As a measure to protect communities from the increasing spread of COVID-19, our parish office is closed until further notice. However, I am available for sacramental needs and you can reach me at the pastoral emergency number listed in the parish greeting message.

COVID-19 is causing many economic hardships and other casualties. We are all impacted by it in one way or another. Our hearts and prayers reach out to all those who are leaving their families behind to go to save lives, our health care personnel and all the others who are working out there risking their lives to ensure that we have all the services and everything else that we need.

An Invitation to Pray.

This Friday March 27, 2020, I will expose the Blessed Sacrament in our Church from 7:30 AM to 7:00 PM. You are welcome to stop by and spend some time with the Lord.

On Sunday March 29, 2020, I will expose the Blessed Sacrament again between the times that we usually have our Sunday Masses from 8:30 AM to 11:30 AM. Please stop by and spend some time with the Lord.

While visiting don't forget to please observe the recommended distance from one another and there should be no more than 10 people in the church at a time.

Stations of the Cross.

On the table at the entrance of the Church, I will put Stations of the Cross booklets to use while visiting. You may also take a copy home to pray the stations of the cross with your family members and return it back to Church when normal activities resume.

This invitation to pray will depend on the guidelines that the authorities are updating day by day due to the pandemic we are dealing with. If it comes to complete lockdown, then we cannot go out.

My prayers for you all. God bless you.

Fr. Alphonsus
