## **World Day of the Poor**

November 17, 2019 marks the third annual World Day of the Poor. In his message for this World Day of the Poor, Pope Francis reminds us "that the poor are not statistics to be counted, but people to be encountered." We are invited to offer friendship, solidarity and welcome to the poorest of our sisters and brothers. And to recognize Christ in those who we meet or whose stories we hear.

In this year's World Day of the Poor message, Pope Francis reflects on Psalm 9:19, "The hope of the poor will not perish forever." He considers the suffering of millions of people who experience poverty, noting that they maintain hope in the Lord in a very real way because he assures them of his faithfulness. Pope Francis challenges us to be authentic witnesses of Christian hope and to accompany the poor through a personal and constant commitment over time.

**Hope through Education**

Hope through Education, a newly incorporated independent nonprofit, was formed to significantly increase the tuition assistance available to low-income families living in Middlesex, Hunterdon, Somerset and Warren counties, to allow them the chance to choose the best school for their child regardless of their ability to afford the full cost of tuition. Hope through Education has the approval of Bishop James F. Checchio, who stands in support of its mission.

The nonprofit is staffed, operational and already at work to increase the number of scholarships available to families with the greatest financial need. Information on how to apply will be available shortly.

A FRESH PERSPECTIVE ON THE  
SUNDAY READINGS

**HIS WORD TODAY**

*by Rev. William J. Reilly*

**Thirty-third Sunday in Ordinary Time  
November 17, 2019**

**“You know how you must imitate us...we wanted to present ourselves as a model for you, so that you might imitate us. In fact, when we were with you, we instructed you that if anyone was unwilling to work, neither should that one eat.”**

‘Imitation is the greatest form of flattery’ but often it can lead others astray. The lack of truthfulness in government, lies and deceit in business, use of performance enhancing drugs in sports become the norm, not the exception. ‘Everyone is doing it’ is the response, but does not make it right.

Paul’s exhortation and example called and challenged his hearers not to be so easily persuaded to laziness, a capital sin, but to labor intensely for the Lord. What he lived and taught was to remedy what he saw as contrary to a Christian life.

His words are directed to us as a model, an example to follow. Jesus is our leader, Paul our teacher, and we eagerly accept the challenge to be a model for others. Can we say that? ‘Do as I say or do as I do.’
